

ENROLLING FOR THE BUDGET PAYMENT PLAN

The Budget Payment Plan is designed to average your annual Wyoming Gas bills in order to help offset high winter heating bills. The amount of the budget payment will vary by address and is based on the average gas usage the prior year. This amount is subject to change annually. In order to get started in the Budget Payment Plan, you must have a **zero balance** and send in the completed enrollment form.

If the set budget amount is not paid in full each month by the due date shown on the bill, you will be removed from the Budget Payment Plan and will not be allowed to enroll again for a full year.
