In consideration of Wyoming Gas Company (WGC) furnishing natural gas service to the above named account, I guarantee to pay charges now due or which may in the future become due for all service to this account, or to subsequent accounts which the above named applicant or customer may subsequently establish within the WGC service area.

This Guarantor Agreement shall terminate upon meeting one of the following conditions:

1. The applicant or customer completes one full year of payments with good credit.
2. The guarantor submits a request to terminate the Guarantor Agreement AND has paid all amounts due for service through the date of the termination request.
3. The required deposit amount has been paid by the applicant or customer.
4. An additional Guarantor Agreement is in place between the applicant or customer and WGC.

I waive notice of acceptance of this guarantee, presentment for payment, notice of nonpayment, and all other notices to which I might be otherwise entitled, and I consent to any extensions of time or modifications to the method of payment granted by WGC to the applicant or customer.
